The Honorable Board of Supervisors

383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, California 90012

Dear Supervisors:

**APPROVAL TO AMEND ALCOHOL AND DRUG SERVICES AGREEMENTS TO REALLOCATE  
UNSPENT AMERICAN RECOVERY AND REINVESTMENT ACT, JUSTICE ASSISTANCE GRANT  
AND SUBSTANCE ABUSE OFFENDER TREATMENT PROGRAM FUNDS EFFECTIVE UPON  
BOARD APPROVAL THROUGH SEPTEMBER 30, 2011 (ALL SUPERVISORIAL DISTRICTS) (3  
VOTES)**

**SUBJECT**

Approval to execute amendments to alcohol and drug services agreements to maximize utilization of American Recovery and Reinvestment Act Justice Assistance Grant -Substance Abuse Offender Treatment Program funds for the provision of substance abuse treatment services; and delegate authority to extend the agreements beyond the expiration date of March 31, 2011.

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Approve and instruct the Director of the Department of Public Health (DPH), or his designee, to execute amendments to Alcohol and Drug Services Agreements to allow for the redistribution of funds and/or an increase or a decrease in funding up to 30 percent above or below the current funding allocation in the contracts, effective upon Board approval through the current expiration date of March 31, 2011, fully funded by California Emergency Management Agency (CalEMA) American Recovery and Reinvestment Act (ARRA) Justice Assistance Grant (JAG)/ Offender Treatment Program (OTP) funds.
2. Delegate authority to the Director of DPH, or his designee, to extend the Agreements identified in Attachment I, on a month-to-month basis, effective April 1, 2011 through September 30, 2011, subject to availability of JAG/OTP grant award funds.

## **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

Approval of the recommended actions will enable DPH to maximize utilization of grant funds and avoid loss of JAG/OTP funding by redistributing unspent JAG/OTP funds among existing contractors that can more effectively use such funds, and to extend the term of the Agreements, if necessary, as instructed by CalEMA.

On May 18, 2010, your Board approved 88 sole source amendments with various agencies and one sole source agreement for the provision of substance abuse treatment services funded by JAG/OTP grant funds. At that time, your Board instructed DPH to return for approval to increase or decrease contract maximum obligations funded with JAG/OTP funds.

DPH anticipates a number of these agencies will not fully utilize their JAG/OTP funding based on its review of actual monthly contractor billing and as well as a reduced number of client referrals caused by the elimination of dedicated referral courts. DPH intends to expeditiously redistribute these unspent funds to those agencies that have demonstrated the ability to provide increased service levels, which would prevent the County from forfeiting the unspent funding. Additionally, DPH needs to redistribute unspent funds from three agencies that decided not to continue their JAG/OTP contracts effective October 1, 2009; from an agency which terminated its contract on December 31, 2010; and from an agency which contract ended on June 30, 2010. CalEMA notified DPH that they had approved extending the term of the JAG/OTP grant award for approximately six months through September 30, 2011, to provide additional time for DPH providers to use their reallocated funds to deliver the level of service that the County was awarded to provide. On December 21, 2010, DPH Substance Abuse Prevention and Control received electronic mail from CalEMA confirming their approval to extend the grant award period. The Agreements will need to be extended and amended.

## **Implementation of Strategic Plan Goals**

The recommended actions support Goal 2, Children, Family and Adult Well-Being; and Goal 4, Health and Mental Health, of the County Strategic Plan.

## **FISCAL IMPACT/FINANCING**

Funding for the JAG/OTP contractors is \$9,063,212. DPH currently estimates \$2,000,000 in unspent funds, of which approximately \$222,150 is a result of the agencies that have terminated their contracts and the remaining \$1,777,850 is projected underutilization by contractors. DPH will equitably distribute all unspent funds to those contractors that will continue providing existing services.

## **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The purpose of the JAG/OTP grant funds is to: 1) enhance substance abuse treatment services to non-violent offenders through implementing a drug court-like model that builds upon Los Angeles County's existing criminal justice collaborations, and allows the length of treatment to expand from six months up to a maximum of eight months, where needed; 2) increase the proportion of convicted offenders who enter, remain in, and complete treatment by expanding the treatment continuum to include less intensive options, such as low cost outpatient counseling models and less costly treatment service options including intensive outpatient detoxification services; 3) reduce delays in the availability of appropriate services; and 4) utilize a drug court-like model, including regularly scheduled reviews of offenders' treatment progress, and treatment providers.

CalEMA surveyed all of the JAG/OTP participating counties as to whether they were on track to spend their JAG/OTP funds by March 31, 2011, and it determined that enough counties had difficulty meeting CalEMA spending/use guidelines and decided to extend the grant period.

The recommended amendments will be reviewed and approved by County Counsel prior to execution.

Attachment I is the updated listing of the agencies.

### **CONTRACTING PROCESS**

On May 18, 2010, your Board approved 88 sole source amendments with various agencies and one sole source agreement for the provision of substance abuse treatment services funded by JAG/OTP grant funds. Of these agreements, Options – A Child Care and Human Services Agency contract ended on June 30, 2010 and was replaced with a sole source agreement with the Center for Integrated Family and Health Services ; three agencies elected not to provide JAG/OTP services to the County effective October 1, 2010: City of Compton, Agreement Number PH-000908-1 (\$3,502); Pasadena Recovery Center, Agreement Number PH-000765-1 (\$74,096); and Shields for Families, Inc., Agreement Number PH-000619-1 (\$102,929); and Independence Community Treatment clinic PH-000917-2) terminated its contract on December 31, 2010. Of the remaining 84 agreements, 83 will need to be amended to redistribute JAG/OTP unspent funds. The Agreement with The Regents of the University of California, Los Angeles (PH-000179-2) is for evaluation services and is not impacted by the redistribution of these funds.

### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

Approval of the recommended actions will ensure no unspent funding is returned to the State so that the level of service that the County was awarded to provide is delivered throughout Los Angeles County.
